Decisions taken

1. The committee decided to give training to teachers on online teaching. The IQAC decided conduct an online tutorial on google meet, recording of classes and moodle
2. The committee requested teachers to attend maximum online teaching training classes and share their expertise with teachers of our college

3. The committee requested the teachers to finish the portions of second semester UG and third semester PG .
4. The IQAC requested class teachers to make a consolidated list of students having internet connection, mobile phone and laptop.
5. The IQAC requested the department of Home science to make more face masks and chemistry department to make sanitizer as a part of our social commitment to stand with society in the pandemic situation.

ACTION TAKEN REPORT

An online training program organized for teachers for various online teaching tools. Special devices are purchased for teaching mathematics and chemistry to replace conventional class room board. Twenty six teachers from various departments attended online teaching tool lectures and shared their expertise. A consolidated list of students and their homely access of online classes evaluated and submitted to Director of collegiate education. Home science department prepared 1000 face masks and chemistry department supplied 20 litre of sanitizers .
